Dear Sir/Ma'am,

Subject: Vascon's Collaboration with Adani as Execution Partner

Reference: Regulation 30 of SEBI (LODR) Regulations, 2015

We are absolutely thrilled to share with you that **Vascon Engineers Limited ("Vascon")** has entered into a **Memorandum of Understanding (MoU)** with **Adani Infra (India) Limited ("Adani")** today to collaborate as their **Execution Partner** under an Early Engagement Model for Five Years.

Under this arrangement, Vascon will be associated with Adani on selected earmarked projects right from the design stage, thereby ensuring seamless integration of design and execution. At present, three projects totaling approximately 13.15 million sq. ft. have already been identified under this model at Mumbai.

As part of the current objectives, Vascon aims to engage with Adani Group on projects contributing additionally equivalent to **30% of Vascon's annual turnover**. **This collaboration is envisioned as a long-term strategic partnership** with the scope and performance of the arrangement to be **reviewed annually**.

This milestone is not just a step forward, it's a leap towards something greater, and it marks the beginning of an exciting new chapter. We are confident that this engagement will create significant value for both organizations, and we look forward to building a strong and successful partnership with Adani.

We request you to kindly take the same on record.
